

MORROW COUNTY MUNICIPAL COURT
LANGUAGE ACCESS PLAN
Effective August 6, 2026

I. LEGAL BASIS AND PURPOSE

This document serves as the Language Access Plan ("LAP") for The Morrow County Municipal Court to provide services to limited English proficient ("LEP") individuals in compliance with Title VI of the Civil Rights Act of 1964; 45 C.F.R. § 80 et seq; and 28 C.F.R. § 42 et seq. The purpose of this plan is to provide a framework for the provision of timely and reasonable language assistance to LEP persons who come in contact with the Morrow County Municipal Court.

The Supreme Court of Ohio provides the following advisement:

In order to comply with the prohibition against national origin discrimination in Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et. seq., the Omnibus Crime Control and Safe Streets Act of 1968, 42 U.S.C. 3789d(c), and 28 C.F.R. Part 42, Subparts C and D, recipients of federal funds must provide meaningful access to limited English proficient (LEP) individuals. *Lau v. Nichols*, 414 U.S. 563 (1974). The U.S. Department of Justice advises that practices, such as charging for interpretation and translation services or seeking recoupment for those costs, significantly impair, restrict, or preclude the participation of LEP individuals in the judicial system and are inconsistent with recipients' Title VI obligations. For more information, please refer to Guidance from the U.S. Department of Justice to state court justices and administrators' Letter from Assistant Attorney of the Civil Rights Division to Chief Justices and State Court Administrators (Aug. 16, 2010); Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41455 (June 18, 2002).

This LAP is developed to ensure equal access to court services for LEP persons and persons who are deaf or hard of hearing. Although deaf and hard of hearing individuals are covered under the Americans with Disabilities Act (ADA) rather than Title VI of the Civil Rights Act, they have been included in this plan insofar as they relate to our policy of access to justice and equal protection under the law. Protections for individuals with qualifying disabilities includes the following:

- Title II of the Americans with Disabilities Act (ADA) requires public entities, including state and local courts, to provide equal access to their programs and services. 42 U.S.C. §§ 12131–12134.
- Public entities are required to "take appropriate steps to ensure that communications with applicants, participants, and members of the public with disabilities are as effective as communications with others." 28 C.F.R. § 35.160(a).

- Public entities must “furnish appropriate auxiliary aids and services where necessary to afford an individual with a disability an equal opportunity to participate in, and enjoy the benefits of, a service, program, or activity conducted by a public entity.” 28 C.F.R. § 35.160(b)(1).
- These auxiliary aids and services include the provision of “qualified interpreters, notetakers, computer-aided transcription services, written materials,... or other effective methods of making aurally delivered materials available to individuals with hearing impairments.” 28 C.F.R. § 35.104.
- To determine “what type of auxiliary aid and service is necessary, a public entity shall give primary consideration to the requests of the individual with disabilities.” 28 C.F.R. § 35.160(b)(2).
- Deaf and hard of hearing people may not be charged for the costs of such auxiliary aids or services. 28 C.F.R. § 35.130(f).

- Spanish, Haitian Creole, and Kinyarwanda

III. LANGUAGE ASSISTANCE RESOURCES

A. Language Access Coordinator

The Morrow County Municipal Court will designate a Language Access Coordinator. The Language Access Coordinator should report to the administrative judge since high level support is essential to successful implementation. The Language Access Coordinator, along with the Court Administrator (as applicable) and the Administrative Judge, will assist in ensuring that language services are delivered by the court in accordance with this plan and in accordance with this plan and the Rules of Superintendence for the Courts of Ohio, Rules 9.00 – 9.11.

The Morrow County Municipal Court's Language Access Coordinator is Amy Braddock. She can be reached at amy@morrowcountymunict.org or 419-947-5045. Complaints submitted under Section VIII of this Language Access Plan will be addressed by the Language Access Coordinator within ten business days. In addition to the responsibilities already outlined in this plan, the Language Access Coordinator also has the following responsibilities:

- Identify qualified interpreters and translators to be included in an interpreter database or list as maintained by the court;
- Track and collect data regarding the use of interpreters, the languages needed, etc.;
- Outline measures to ensure quality control of interpreters and translators; and
- Assign qualified interpreters, translators and bilingual employees to perform language assistance functions.

B. Interpreters Used in the Courts

Under Ohio law and Supreme Court rules, there are two different instances in which a court must provide an interpreter: in a case or court function¹ and in connection with ancillary services.²

¹ Pursuant to Sup.R. 9.00(B), "'Case or court function' means any hearing, trial, pre-trial conference, settlement conference, or other appearance before a court in an action, appeal, proceeding, or other matter conducted by a judge, magistrate, or other court official."

² Sup. Rule 9.11, Use of Communication Services in Ancillary Court Services," states as follows:

(A) Limited English proficient individuals

A court shall provide foreign language communication services to limited English proficient individuals in conjunction with ancillary court services. Dependent upon the significance and complexity of the ancillary court service, the following individuals may provide the communication services in person, telephonically, or via other electronic means available:

- (1) An employee of the court, other than a Supreme Court certified foreign language interpreter or provisionally qualified foreign language interpreter, who has demonstrated proficiency in English and the target language in accordance with standards set by Supreme Court Language Services Section and who the

This distinction is important because the type of interpreter to be provided and the court's responsibilities differ depending on the specific situation.

By statute, Ohio courts must appoint qualified interpreters. Specifically, section 2311.14 of the Ohio Revised Code provides that courts shall provide interpreters due to hearing, speech, or other impairments of a party or a witness to a case.

Additionally, pursuant to R.C. 2930.041 (Marsy's Law), the court will provide a Supreme Court certified foreign language interpreter, Supreme Court registered, Supreme Court provisionally qualified, or language-skilled interpreter in all legal proceedings for a limited English proficient victim at no cost to the victim.

Similarly, the court will provide a Supreme Court certified sign language interpreter, a Supreme Court registered sign language interpreter, a Supreme Court Sup.R. 9.10 eligible sign language interpreter, or a certified American Sign Language interpreter from the Registry for Interpreters of the Deaf, in all legal proceedings for a deaf or hard of hearing victim at no cost to the victim.

Additionally, Rule 9.10 of the Rules of Superintendence for the Courts of Ohio, requires that the Morrow County Municipal Court appoint an interpreter in a case or court function when a LEP or deaf or hard-of-hearing individual requests an interpreter or when the court determines the services of an interpreter are necessary for the meaningful participation of the party or witness.

Under Ohio law, foreign language interpreters will be provided at court expense if the party is found to be indigent. However, in order to comply with the prohibition against national origin discrimination in Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et. seq., the Omnibus Crime Control and Safe Streets Act of 1968, 42 U.S.C. 3789d(c), and 28 C.F.R. Part 42, Subparts C and D, recipients of federal funds must provide meaningful access to limited English proficient

(2) A Supreme Court certified foreign language interpreter;

(3) A provisionally qualified foreign language interpreter;

(4) A registered foreign language interpreter;

(5) A language-skilled foreign language interpreter.

(B) Deaf, hard-of-hearing, and deaf-blind individuals

A court shall provide sign language communication services to deaf, hard-of-hearing, and deaf-blind individuals in conjunction with ancillary court services. Dependent upon the significance and complexity of the ancillary court service, a Supreme Court certified sign language interpreter, a court interpreter certified by BEI, a registered sign language interpreter, or an interpreter eligible pursuant to Sup.R. 9.10(H)(4) may provide the communication services in person, telephonically, or via other electronic means available.

(LEP) individuals. *Lau v. Nichols*, 414 U.S. 563 (1974). The U.S. Department of Justice advises that practices, such as charging for interpretation and translation services or seeking recoupment for those costs, significantly impair, restrict, or preclude the participation of LEP individuals in the judicial system and are inconsistent with recipients' Title VI obligations. For more information, please refer to Guidance from the U.S. Department of Justice to state court justices and administrators' letter from Assistant Attorney of the Civil Rights Division to Chief Justices and State Court Administrators (Aug. 16, 2010); Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41455 (June 18, 2002).

In the Morrow County Municipal Court, sign language interpreters will be provided at court expense for all deaf or hard-of-hearing court parties, witnesses, or jurors in compliance with the ADA.

IV. USE OF INTERPRETERS

A. Determining the Need for an Interpreter

There are various ways that the Morrow County Municipal Court will determine whether an LEP or deaf or hard-of-hearing person needs the services of a court interpreter. First, the LEP or deaf or hard-of-hearing person may request an interpreter.

Second, court personnel and judges may determine that an interpreter is necessary for the meaningful participation of a party or witness. Many people who need an interpreter will not request one because they do not realize that interpreters are available, they mistakenly think they will have to pay for the interpreter, or because they do not recognize the level of English proficiency or communication skills needed to understand the court proceeding. Therefore, when it appears that an individual has any difficulty communicating, the court staff, judge, or magistrate must provide an interpreter to ensure full access to the court. See Sup.R. 9.10 (A)(2), (B)(1)(b). In legal proceedings, judges and magistrates must decide, on the record, whether an interpreter is needed. In court functions and ancillary services, designated staff may decide whether an interpreter is needed.

Third, once a party or a witness has been identified as an LEP or deaf or hard-of-hearing individual, the court will exercise every effort to appoint interpreters in all future related proceedings or court functions. Furthermore, the court will follow the requirements of Sup.R. 88 to appoint an interpreter (see Section C below). If no in-person interpreter is available at the given instance, the court will grant a continuance or if possible and appropriate, in accordance with Sup.R. 88, Appendix J, use the services of a telephonic interpreter.

B. Court Interpreter Qualifications

The Language Services Section of the Supreme Court of Ohio maintains a statewide roster of interpreters who are qualified to interpret in the courts. Foreign language interpreters on the roster have passed a written examination, attended at least 24 hours of court interpreter training, and have scored within a designated range that measures their language and interpreting skill. Sign language

interpreters have also met similar requirements as necessary for national certification through the Registry of Interpreters for the Deaf. The definition of each category of interpreter is set forth in Sup. R. 9.00 *et seq.*

C. Appointment of a Court Interpreter

The Morrow County Municipal Court will appoint in-person and telephonic court interpreters in accordance with all criteria set forth in Sup.R. 9.10 and will ensure that certified court interpreters are used whenever reasonably available.

Pursuant to Sup.R. 9.10(C), the Morrow County Municipal Court will make all reasonable efforts to avoid appointing foreign language interpreters or sign language interpreters if they are compensated by a business owned or controlled by a party or a witness; friend or a family or household member of a party or witness; a potential witness; court personnel employed for a purpose other than interpreting; law enforcement officer or probation department personnel; or would not serve to protect a party's rights or ensure the integrity of the proceedings or have a conflict of interest, real or perceived.

D. Language Services Outside the Courtroom

In accordance with Sup.R. 9.11, the Morrow County Municipal Court shall ensure that LEP individuals and individuals who are deaf or hard of hearing have meaningful access to ancillary services outside the courtroom. LEP individuals and individuals who are deaf or hard of hearing may come in contact with court personnel via the phone, counter, or other means. The Morrow County Municipal Court has the following resources to assist LEP individuals and individuals who are deaf or hard of hearing:

- When a court staff member does not know what language the person is speaking, refer to an "I Speak" Language Identification Guide which is available in 63 languages. The Language Access Coordinator is responsible for distributing cards to all staff and to any new staff.
- In order to meet the needs of those who speak less-common languages, court staff may rely on telephonic interpretation or relay services to bridge communication.

V. TRANSLATED FORMS AND DOCUMENTS

Ohio courts understand the importance of translating forms and documents so that LEP individuals have greater access to the courts' services.

The Morrow County Municipal Court currently has the following forms translated into commonly used languages:

- Financial Disclosure Form (for court-appointed counsel) - Spanish

When interpreters are hired for hearings, interpreters are expected to provide sight translations for corresponding documentation to LEP individuals. Additionally, the Supreme Court of Ohio has translated a number of court forms into various languages: Arabic, Chinese, Russian, Somali and

Spanish. These are posted on the Supreme Court of Ohio website and are available to all courts. They can be found here: www.supremecourt.ohio.gov/forms/all-forms/protection-order/2

The Morrow County Municipal Court follows the process to translate material described in Appendix J (found here:

www.supremecourt.ohio.gov/docs/Publications/interpreter_services/ISHandbook.pdf) of the *Interpreters in the Judicial System: A Handbook for Ohio Judges*. Appendix J identifies the steps to translate material from project management to editing, proofreading, and publishing. The section also describes the process for the selection of qualified translators. The court will also rely on the Language Services Section at the Supreme Court of Ohio for consultation and technical assistance.

The Morrow County Municipal Court will assess demographics and analyze the most commonly used forms and embark in the translation of additional forms as resources allow.

VI. LOCAL RULE

The Morrow County Municipal Court will adopt a local rule regarding appointment of interpreters.

VII. TRAINING

Ohio courts are committed to providing language access training opportunities for all staff members who come in contact with or may come in contact with LEP individuals and individuals who are deaf or hard of hearing. The Ohio Judicial College and the Language Services Section provide on-going training for court staff regarding issues related to LEP populations, individuals who are deaf or hard of hearing, the use of interpreters, and other language access matters.

The Morrow County Municipal Court staff with direct contact with LEP individuals or individuals who are deaf or hard of hearing will receive training on language access, to be coordinated by the Language Access Coordinator. The Language Access Coordinator will ensure that all staff receives updated training regularly and new staff are trained at the time of hire.

VIII. COMPLAINT PROCESS

The Morrow County Municipal Court will ensure that all LEP individuals and individuals who are deaf or hard of hearing receive language assistance services in their primary language. To promptly address any concerns that an LEP person or an individual who is deaf or hard of hearing did not receive language assistance, the Supreme Court of Ohio has developed a process for handling such complaints.

The Morrow County Municipal Court employees will also provide information on this complaint process to LEP individuals or individuals who are deaf or hard of hearing upon request or if an LEP/deaf or hard-of-hearing individual voices concern about the lack of language access services or the quality of services that were provided.

In addition to the Supreme Court's complaint process, the Morrow County Municipal Court has developed a local complaint resolution process as well. If the Language Access Coordinator

receives a language access complaint, she will document receipt of the complaint and provide information about it to the individual who supervises the affected employee(s). Once the supervisor or monitor receives notice of a language access complaint, s/he will take prompt action to review, investigate and respond to its allegations. The Language Access Coordinator will also notify the Supreme Court of Ohio manager of the Language Services Section of such complaint.

The Morrow County Municipal Court will display a sign translated into Ohio's 12 most frequently used languages which states:

If you are limited English proficient, you have the right to a court-appointed interpreter. To request one please contact the person or number below:

Amy Braddock: 419-947-5045

If you are not provided an interpreter, call the Supreme Court of Ohio complaint line at 1.888.317.3177

The Morrow County Municipal Court will display this sign at common areas visible to all court users. In the Morrow County Municipal Court, the Language Access Coordinator is responsible to make sure signs are visible, interpreters are provided, and our LAP plan is monitored.

IX. PUBLIC NOTIFICATION AND EVALUATION OF LAP

A. LAP Approval

The Morrow County Municipal Court LAP has been approved by the Administrative Judge of the court. Any future revisions to the plan will be submitted to the Administrative Judge for approval. Copies of the Morrow County Municipal Court LAP will be distributed to all court staff by the Language Access Coordinator.

B. Notification

The Language Access Coordinator will ensure that any new staff receives a copy of the plan. Copies of the Morrow County Municipal Court LAP will be provided to the public upon request. In addition, the Morrow County Municipal Court will post this plan on its website.

C. Evaluation of the LAP

The Language Access Coordinator will review this plan on an annual basis and make changes based on the review. The evaluation will include review of any complaints received, identification of any problem areas, development of required corrective action strategies, and input from court staff. Elements of the evaluation may include:

- Assessing the number of LEP/deaf and hard-of-hearing persons requesting court interpreters in Ohio courts;

- Assessing current language needs to determine if additional services or translated materials should be provided;
- Assessing whether staff members adequately understand LEP policies and procedures and how to carry them out;
- Reviewing complaints received since the last review; and
- Gathering feedback from LEP/deaf hard of hearing communities around the state; using that feedback as collaboration on any revisions to the LAP.
